I know SAN went to assess conditions on Selma Ave. on Friday. In addition to that, we asked SAN to install several trash cans at the location without delay and for LAHSA to distribute the clear SAN trash bags.

Please advise the status of these efforts.

Thanks.

Brian

Adding Pepe and Sanitation,

Pepe and SAN,

Can we please add more trash cans around the Schrader site? Specially in the area referenced below and in the attached photos.

Also, can we discuss dropping either a 4-yard dumpster or a roll-away bin at or near the location once or twice a week?

We're looking for solutions short of enforcement or posted cleanings.

Thanks.

Brian

Subject: Fw: Schrader ABH, need trash bins

Hi Brian,

Please see the attached photos. This is in the Schrader Zone very close to a school. Students can not walk along the sidewalk and the trash in the area is increasing. One suggestion would be a Trash Bin; I know that we are in the 90 Day Protocol but it may be necessary to conduct a Rapid Response at this location to mitigate it growing out of control. There are other locations in the zone that need this type of attention. I have included the Hollywood Senior Lead Officer for this area who advised he is getting an increase in complaints from the Community and Businesses.

If we are able to place bins in the area then maybe LAHSA can help ensure they are utilized and educate the unsheltered individuals. Please let me know your thoughts and how we should move forward.

Thanks in Advance Brian,

Emada

Hi LT,

Re: Schrader ABH, need trash bins

Just wanted to inform you on the status of Schrader ABH. Currently on Selma and Las Palmas there is a lot of trash on the sidewalk. I was hoping LAHSA could educate the homeless regarding the amount of trash and lead with services. I just wanted you to see what I'm seeing. I reached out to the SLO Paul Jordan. He advised anything would help.

FYI only

Respectfully,

Police Officer II Ramirez, Marco #40604
